SALARY RESTRUCTURE LETTER

Dear Akshay,

This is to inform you that, in line with the implementation requirements of the Code on Wages, 2019 and other applicable labour laws, the Company has undertaken a review of existing salary structures to ensure continued statutory compliance.

Accordingly, this letter formally confirms the revision to your **Total Compensation & Benefits (CTC) structure is Rs. 474,901/- (Four Lacs Seventy Four Thousand Nine Hundred One Rupees Only)**, effective **January 1, 2026**, pursuant to a compensation restructuring exercise undertaken by the Company to align with applicable statutory provisions and regulatory requirements in force.¹

As part of this exercise, your salary components have been re-aligned with effect from **January 1, 2026**. This revision is limited strictly to a restructuring of salary components in accordance with applicable legal provisions and does not constitute a performance-based or merit-based revision.

This revision supersedes the earlier salary structure and reflects a statutory-aligned restructuring of wage components. Under the revised structure and prevailing statutory framework, the Company does not anticipate any adverse impact on your monthly net take-home pay.²

Please note that:

- The revision involves only a restructuring of wage components to meet statutory definitions and compliance requirements.
- Your role, designation, reporting structure, and all other terms and conditions of employment remain unchanged.

A. P. Patel

The revised salary structure is detailed in **Annexure A**, which forms an integral part of this communication.

You are requested to acknowledge acceptance of the revised salary structure by signing and returning a copy of this letter or by providing confirmation through email.

Should you require any clarification, you may contact the HR department.

Thank you for your continued contribution and cooperation.

Warm regards,

Bhumika Vaghela
